**Head-turning Cyris™ webcam rotates 360°, so you don't have to turn!**

- Unique SmartTwist™ design to use Cyris™ whenever and wherever.
- Twists into box-like compact for transport-friendly, but opens into a stylish device for a full range of adjustable angles and settings.
- Plug-and-play with superior image quality, intuitive image adjustments, and smart face-tracking.

# Cyris™ T600

## True 1.3 Megapixels Webcam

Convenient Set-Up!  
Adjustable to any LCD/CRT monitor or for stand-alone use.

Ideal for those who wish to use their webcams whenever and wherever, Icon7 Cyris™ T600 features unique SmartTwist™ design.

The webcam can twist into box-like compact for transport-friendly in any bag, but then opens and extends into a stylish and convenient device for a full range of adjustable angles and settings.

### Superior Image Quality

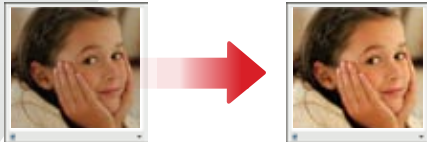

True 1.3 megapixels sensor, plus wide-angle lens, for high-definition video and image

### Convenient Plug-and-Play

Super easy driver-free UVC compatible

### Intuitive Image Adjustments

Proprietary iConfig™ for real-time adjustments and control

### Smart Face-Tracking

Ideal feature ensuring automatic focus and tracking

### SmartTwist™

For whenever & wherever!

Revolutionary rotation mechanism so the webcam extends into a stylish device and adjusts for a full range of angles, but then closes into box-like compact for easy portability.

Your total interactive communication enjoyment for whenever and wherever!

Discover fun and easy-to-use vLife™ applications in our Cyris™ ("cyber-iris") webcams to fully enjoy and share your digital video life when instant messaging, so you can always stay in touch and never miss out on that special moment!
