

Topper™ **MULTIMEDIA** Keyboard

USB

USB Hub

Multimedia
Control

Spill Resistant

Anti-Spy

More than just a keyboard for complete multimedia enjoyment!

- Multifunctional “Topper” cover helps to shield against dust, also holds important Post-It notes and cards.
- Anti-spy key for immediate application switch, so the important screen stays out of view for privacy.
- Ideal USB 2.0 hub extensions with 2 ports, so all devices stay plugged in, including mouse, webcam, etc.

Topper™ MULTIMEDIA Keyboard

Multimedia Controls

Launch Windows Media Player, play/ pause, volume up/ down and mute.

Flip 3D for Windows® Vista™

Thumbnail images of open windows contents for easy identification. (Works as Applications Switch on Windows® XP.)

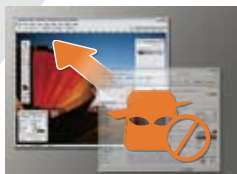

USB 2.0 Hub 2 Ports

Plug in your USB devices such as mouse, USB flash drive, etc.

Anti-Spy Hotkey

One-touch key to quickly to minimize or switch the current window to another application, document or URL.

Anti-Spy Key for Maximum Privacy

Dedicated hotkey to immediately switch to another application, document or URL, so your other important document stays out of view.

Ideal USB 2.0 Hub 2 Ports

Additional USB 2.0 hubs for all your devices to stay plugged in, including wireless mouse, webcam, and USB flash drive, etc.

Multifunctional Fold-Up Cover

Multifunctional "Topper" Cover

Semi-automatic keyboard cover, not only helps to prevent dust, but also "tops" off the keyboard, providing an extra flat surface for Post-It reminders and business cards.
